LB 848, 848A

sending these out free to the judges. In other words, it is a revolving fund. I would say 95 percent of the people who subscribe and pay for these volumes, the Supreme Court Reports, are lawyers in the state. They add on an additional amount to what they charge the lawyers to make up for the cost of printing the books that they give away to the judges and the public officials. So it's a completely...it's a revolving fund. I might also mention here that we are providing that copies of these advance sheets be sent to each Standing Committee of the Legislature. I think it is important that the staff of each Standing Committee of the Legislature know what the current decisions of the Supreme Court are and we've asked to have those distributed. Pat gets one too. I ask for the advancement of the bill, Mr. Speaker.

PRESIDENT: The motion is to advance LB 848. Is there further discussion? If not, all those in favor of advancing the bill vote aye, opposed vote no. Have you all voted? Clerk will record the vote.

CLERK: 27 ayes, 0 nays, Mr. President, on the motion to advance the bill.

PRESIDENT: The bill is advanced. There is an A bill?

CLERK: Yes, sir. (Read title to LB 848A.)

PRESIDENT: Senator Beutler.

SENATOR BEUTLER: Mr. President, for technical reasons an A bill is required, but again it is a cash fund, no additional expense to the state. I would ask the adoption of the A bill.

PRESIDENT: Is there further discussion on 848A? If not, I believe the motion is to advance the bill. All those in favor vote aye, opposed vote no. Have you all voted? The Clerk will record.

CLERK: 25 ayes, 0 nays, Mr. President, to advance LB 848A.
